Premiere of "The Elevator Show Dubai" postponed to Fall 2022

Dubai – Due to the exceptional circumstances concerning the COVID 19 pandemic and its impact on the international trade show scene, The Elevator Show (TES) Dubai is postponed until fall 2022. The decision was made after intensive discussion between the organizers of the event, AFAG Messen und Ausstellungen GmbH and ELEVATOR WORLD, and the Dubai World Trade Center where the event will take place. Due to official restrictions in Dubai, it will not be possible to hold "The Elevator Show Dubai" for the planned date in 2020. The exact date for 2022 will be announced at the end of June.

Many trade fairs planned for 2020 have been cancelled or postponed to 2021, therefore the international trade fair venues will be fully booked next year.

In order to be able to offer a new, promising platform for the elevator industry in this region with TES, the best possible alternative was to postpone the premiere to 2022.

As the first international industry event of this kind in the region, TES now offers a perfect opportunity to do business with global manufacturers, suppliers, installers, planners, developers, architects, engineers and investors.
